ZAGREB STOCK EXCHANGE d.d.
Ivana Lučića 2a, 10 000 Zagreb

Zagreb, April 04th, 2018

SUBJECT: Response to the Zagreb Stock Exchange's Enquiry concerning Monthly and Cumulative Results

Ledo joint stock company for production and trade in ice-cream and frozen food, Zagreb, Čavićeva 1a, MBS: 080002964, OIB: 87955947581, responsible person: Dario Vrabec (hereinafter: the "Issuer") responds to the Zagreb Stock Exchange's enquiry as follows:

Based on the information available at the time of formulating the Notice of March 15th, 2018 (available at <http://www.zse.hr/userdocsimages/novosti/i9hpslbi5XqfrHduUzienw==.pdf>), the Issuer has in good faith reasonably expected that the information on monthly and cumulative results will be available until March 31th, 2018.

However, despite the Issuer's best efforts to publish the information until the said date, the making of reports is still in progress due to work complexity. Having said that, the Issuer is at the moment not able to precisely determine when the information will be available. In the context of such uncertainty, the Issuer believes that setting of a specific publication date would be contra-productive and could potentially mislead the interested public.

Irrespective of the above and as was already pointed out, the Issuer actively works on the monthly and cumulative results and it does everything in its power to publish them within the shortest time possible.

Kind regards,

Ledo d.d. Zagreb  d.d. ZAGREB
Čavićeva 1a

mr.sc. Dario Vrabec,
The President of the Management Board
